Cash flow is the responsibility of the vendor.

You may set up as early as 10:00 am on Friday. All vehicles must be parked or removed from the festival areas by 4pm on Friday. For the safety of our patrons and due to insurance reasons vendors will not be allowed to drive through the main pathways while the festival is open. ### Vendor Initials

Vendors must provide their own table coverings and sun/rain/wind protection. Vendors assume full responsibility/liability for equipment, merchandise and other items they bring to the event.

Vendors are responsible for removing their garbage, failure to do so will result in a cleaning fee of \$50 and may result in not being invited to future festivals.

No parking in loading/unloading area(s), you will be able to drive on the field. Vehicles must be moved once unloaded/loaded.

All Vendors must pay the \$10 temporary license fee for the event. This fee goes to the city of Moab and we will print your temporary license and file it for you. If a license needs to be displayed then it will be delivered to your booth.

The Moab Celtic Festival is not responsible for any fines incurred by vendors for failure to comply with any and all licensing requirements.

Vendors must provide proof of insurance with the City of Moab listed on the policy. This needs to be sent with the application.
